ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY ACTIVITIES

1. A brief outline on the Company’s Corporate Social Responsibility (‘CSR’) policy:

Brief Outline on CSR Policy of the Company

At Meesho, we believe that a business that grows without giving back is only telling half its story. Our Corporate Social Responsibility Policy is built on a simple conviction that sustainable growth and social impact are not competing priorities; they go hand in hand.

Formulated in accordance with Section 135 of the Companies Act, 2013 and Rule 6 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, our CSR Policy provides the framework through which we channel our resources, partnerships, and efforts toward communities that need it most.

Our CSR programmes are anchored around the following core commitments:

Opportunity through Digital Access: We believe that a smartphone and an internet connection should be enough to run a business. Our initiatives

focus on equipping small entrepreneurs, artisans, and rural communities with the digital skills they need to access markets, earn livelihoods, and build financial independence.

Inclusion at the Grassroots: From Self-Help Groups to PM Vishwakarmas, we work with women, rural artisans, and first-time entrepreneurs, people who have always had the talent but rarely had the platform.

Our CSR activities are aligned with Schedule VII of the Companies Act, 2013, with a focus on:

- Promoting education, vocational skills, and livelihood enhancement;
- Development and economic inclusion;
- Empowering women and marginalised communities.

The CSR Committee of the Board oversees the implementation and monitoring of all CSR activities, ensures alignment with policy objectives, and reviews outcomes regularly. The CSR Policy is available on the Company’s website at <https://investor.meesho.com/governance?tab=policies-and-codes>.
